

Traffic Commission Agenda
June 13, 2019

Where: TAB Building Atrium, 167 Holland St 2nd flr

When: Thursday June 13, 2019 at 5:30pm

Item #1 – Acceptance of Minutes from the May 9, 2019 Traffic Commission Meeting

Item #2 – Request for Handicapped Parking
21 Adrian St

Item #3 – Request for Fire Lane
Windsor Place, both sides, entire length

Item #4 – Somerville Av Project

- a) Requesting to temporarily bag six meters on the south side of Somerville Ave, between Webster Ave. and Prospect Street, for a duration of approximately 4 months. The work zones encompass both westbound lanes; the existing two eastbound lanes are to be adjusted to allow for one lane of traffic in each direction, thus requiring temporary removal of the meters.
- b) Per the February 14, 2019 TC Meeting, requesting to **reinstate** four residential permit parking spaces on the south side of Washington Street, opposite the southern end of Dane St. These residential spaces were temporarily removed to accommodate the detoured buses during the Union Square closure while under construction.
- c) Per the February 14, 2019 TC Meeting, requesting to **reinstate** four residential permit parking spaces on Hawkins Street (two on each end of the street, opposite sides at the corners of both Washington Street and Somerville Ave). These spaces were temporarily removed to accommodate emergency service vehicles during the Union Square closure and subsequent detour.

Item #5 – Request for Drop off Zone for YMCA busses at 101 Highland Ave. The restriction will be 8am-10am/3pm-5pm YMCA busses only then 2 hour parking except by permit 10am-3pm/5pm-2:30am and permit parking only 2:30am-8am. This is a result of the temporary removal of the drop off location at the High School (until completion of construction).

Item #6 – Request for placement of (2) HP spots at 79 Highland Ave to replace spaces removed during construction of the High School (until completion of construction).

Item #7 – Request to increase the parking meter rates (citywide) from \$1.00/hour to \$1.25/hour.

Item #8 – Request to increase the fee for a Rental Vehicle permit from \$20/month to \$35/month.
